- 9.7.** When heats and finals are sailed, the number of boards progressing to gold, silver or gold final will be indicated on the official whiteboard at the race office.

## 10. COURSES

- 10.1.** Appendix A to these SI's shows most of the courses likely to be used. If other courses are to be sailed they will be described at a briefing.
- 10.2.** The course to be sailed and its direction of start will be displayed on the course board located aboard the race committee boat (start boat). See appendix C.
- 10.3.** The course will not be changed during a heat, but marks may be repositioned to maintain a satisfactory course configuration relative to the wind and tide.

- 12.8.1.** When at a board's starting signal for a slalom race or heat any part of her hull, crew or equipment is on the course side of the starting line, the race committee shall signal a general recall.
- If the race committee acts under rule 29.1(a) and the board is identified, she shall be disqualified without a hearing, even if the race or heat is abandoned. The race committee shall hail or display her sail number, and she shall leave the course area immediately. If the race or heat is restarted or re-sailed, she shall not sail in it.
  - If a slalom race or heat was completed but was later abandoned by the protest committee and if the race or heat is re-sailed, a board disqualified under rule 29.1(b) may sail in it.

### **14. TIME LIMITS AND TARGET TIMES**

**14.1.** There is no time limit for a race

### **15. PENALTY SYSTEM**

#### **15.1. Exoneration Penalty**

**15.1.1.** A board that may have broken a rule of Part 2 may, after finishing the race concerned and before the start of a related protest hearing, notify the Race Committee that she accepts a 20% scoring penalty as stated in RRS 44.3(c), except that the minimum penalty is five places if that does not result in a score worse than DNF. This penalty does not reverse an OCS score, or a disqualification under RRS 30.3. It is not available for a breach of RRS 2 or of class rules or for gross misconduct under RRS 69. Nor is it available to a board that caused injury or serious damage, or gained a significant advantage by her breach; in these circumstances, her penalty is to retire.

**15.1.2.** When an Exoneration Penalty is accepted:

- a) Neither the board nor a protest committee may then revoke or remove the penalty.
- b) The board shall not be penalized further in a protest hearing when the protest committee decides that it was appropriate to the facts found and the applicable rules.
- c) When a board accepts an Exoneration Penalty, the designation DPI (Discretionary Penalty Imposed) will be used. If she retires, she will be scored RET.

#### **15.2. Advisory Hearing**

**15.2.1.** When there is an incident that will not result in the lodging of a protest or a request for redress, a board, protest committee or race committee may request an advisory hearing with the race office, and notify any board involved in the incident. An adviser will then call a hearing to learn what may have happened and will state whether any rule appears to have been broken, and by which board. A board may as a result notify the race office that she accepts an Exoneration Penalty when it applies to the incident, or choose to retire, although there is no requirement for her to do either.

#### **15.3. RYA Arbitration**

**15.3.1.** When a protest or request for redress is lodged, a board may at the same time request RYA Arbitration, or the protest committee or race committee may offer it.

- a) If the parties and a member of the protest or race committee agree that RYA Arbitration is suitable, an arbitrator (who may be that member of the protest committee) will call a hearing conforming to Section B of Part 5 of the RRS, except that RRS 64.1(a) will not apply. Instead, when the arbitrator decides that a board that is a party to the arbitration hearing has broken a rule for which the Exoneration Penalty is available, the party will be invited to accept that penalty, and, if it is accepted by a protested board, the protesting board will be allowed to withdraw the protest, changing RRS 63.1.
- b) When there is not an agreement to use RYA Arbitration, or when, after RYA Arbitration, a protest is not withdrawn or the Exoneration Penalty is not applicable to the facts, there will be a normal protest hearing, at which the arbitrator may be a member of the protest committee. RRS 66 will not apply to the arbitration decision. A board may still accept an Exoneration Penalty at any time before the start of a protest hearing and receive its protection from further penalization. She may also retire.
- c) When a protest or request for redress is lodged, a board may at the same time request RYA Arbitration, or the protest committee or race committee may offer it.
- d) If the parties and a member of the protest or race committee agree that RYA Arbitration is suitable, an arbitrator (who may be that member of the protest committee) will call a hearing conforming to Section B of Part 5 of the RRS, except that RRS 64.1(a) will not apply. Instead, when the arbitrator decides that a board that is a party to the arbitration hearing has broken a rule for which the Exoneration Penalty is available, the party will be invited to accept that penalty, and, if it is accepted by a protested board, the protesting board will be allowed to withdraw the protest, changing RRS 63.1.
- e) When there is not an agreement to use RYA Arbitration, or when, after RYA Arbitration, a protest is not withdrawn or the Exoneration Penalty is not applicable to the facts, there will be a normal protest hearing, at which the arbitrator may be a member of the protest committee. RRS 66 will not apply to the arbitration decision. A board may still accept an Exoneration Penalty at any time before the start of a protest hearing and receive its protection from further penalization. She may also retire.

**15.4.** Breaches of sailing instructions 5.4, 5.5, 7.2, 10.4, 10.9, 17 and 18 will not be grounds for a protest by a board. This changes RRS 60.1(a). Penalties for these breaches may be less than disqualification if the protest committee so decides.

**15.5.** On the last scheduled day of racing a request for reopening a hearing shall be delivered:

- a) By 12:00 if the requesting party was informed of the decision on the previous day;
- b) No later than 10 minutes after the requesting party was informed of the decision.

## 16. PROTESTS AND REQUESTS FOR REDRESS

- 16.1.** Boards intending to protest must inform the race committee finishing boat upon finishing the race.
- 16.2.** Once a protest has been lodged with the race committee they will jointly display flag O and flag AP. Whilst displayed, racing is postponed and all sailors should remain in the course area. Any sailor involved in the said protest shall report to the committee boat immediately. If flag O, H and a class flag are jointly displayed sailors in that class should return to shore whilst the protest is heard. After 5 minutes flags will be lowered and racing will continue for any unaffected fleet. During this process flag AP will be displayed with the affected class flag, once removed sailors should return to the race course immediately.
- 16.3.** A protest shall be made orally immediately following the heat in which the incident occurred.
- 16.4.** Following receipt of protest or request for redress, a hearing will be called as soon as possible. Competitors involved in an incident afloat are advised to ascertain the status of any possible hearing for which they may be required. A competitor may retire before a protest hearing commences.
- 16.5.** When a board takes a penalty or retires under RRS 44.1, the penalty is changed to include completion of an acknowledgement form at the race office.

## 17. EVENT SCORING

- 17.1.** The Low Point scoring system of Appendix A will apply.

Rule A8 is changed to:

- a) A8.1 If there is a series-score tie between two or more boards, they shall be ranked in order of their best excluded race score.
- b) A8.2 If a tie remains between two or more boards, each board's race scores, including excluded scores, shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the board(s) with the best score(s). These scores shall be used even if some of them are excluded scores.
- c) A8.3 If a tie still remains between two or more boards, they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied boards' scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

- 17.2.** Each board starting and finishing and not thereafter retiring, being penalized or given redress shall be scored points as follows:

- a) First                    0.7
- b) Second                2
- c) Third                    3
- d) Each place there after add one point

- 17.3.** Each board's event score shall be the total of her race scores excluding her:

- a) Worst score when 3 to 5 rounds are completed,
- b) Two worst scores when from 6 to 9 rounds are completed,
- c) Three worst scores when 10 or more rounds are completed.

- 17.4.** One gold final is required to be completed to constitute a regatta for all boards in that fleet. In the event that the silver (and or) bronze final is not sailed, points will be awarded equally.

- 17.5.** In the event of insufficient wind for championship racing, therefore no racing has taken place for a particular fleet, competitors will be awarded series points as follow:

- a) If the event does not qualify as a valid series event then each absent competitor will incur 2 "non-attendance" points.
- b) If the event does not qualify as a valid series event then each attending competitor will incur 0 "non-attendance" point.
- c) Non-attendance points cannot be discarded and will be added to the series score to give an overall score.

- 17.6** A competitor who has in advance with a minimum of 1 week's notice advised [admin@ukwindsurfing.com](mailto:admin@ukwindsurfing.com) of their intention to compete in and having fulfilled this obligation any PWA, IFCA World, IFCA Continental Championships event or other approved international event on one occasion only, shall receive a series score equal to their average for the season. Approval shall be granted by the Event Absence Committee and their decision shall be final and not subject to protest.

- 17.7** To request correction of an alleged error in posted results or series results, a boat shall complete a scoring enquiry form at the Race Office.

## 18. TALLY SYSTEM

- 18.1.** A tally system will be used to record each competitor going afloat, and to record their safe return. Tallies are numbered coloured wristbands and shall be taken just before going afloat, when authorised by the beach master and

shall be returned immediately on returning to shore. Any competitor who does not comply with the system will be issued a 20% scoring penalty for that race. In the case of back to back races the penalty will apply to the first race only.

**18.2.** Competitors who are already afloat and who realise they have forgotten their tally must inform an official boat at the first opportunity and the race office upon returning to shore.

**18.3.** The tally system, to check-out and check-in competitors, will be located on the UKWA events trailer.

**18.4.** Tallies shall be worn visibly over clothing.

**18.5.** Tally number and colour will be allocated after registration, with tally numbers for individual sailors posted on the official notice board

## **19. SAFETY**

**19.1. Mandatory Instructions on the Water - Boards and Competitors in Difficulty.** When the race committee considers that a board, its equipment or crew are not adequate for the existing or anticipated conditions, or that a board or crew member is in difficulty, it may instruct the board or crew not to launch, or to retire or to sail ashore or to accept outside help. The board and crew shall comply with such instructions without delay.

**19.2.** Sailors who compete on a Windfoil must wear a helmet at all times.

**19.3.** Sailors who compete on a Windfoil are required to wear a yellow bib as supplied by the race committee. A £10 deposit is required and they can be collected from the race office.

## **20. EQUIPMENT AND MEASUREMENT CHECKS**

**20.1.1** A board or equipment may be inspected at any time for compliance with the class rules and sailing instructions. On the water, a board can be instructed by the technical committee equipment inspector to proceed immediately to a designated area for inspection.

## **21. SUPPORT BOATS / PERSONS**

**21.2.** If the protest committee learns of a possible breach of a rule by a *support person* through any source, including the Race Committee, it may call a hearing under rule 60.3(d).

## **22. LITTER DISPOSAL**

## **23. RADIO COMMUNICATION**

## **24. PRIZES**

**24.1.** Prizes will be awarded at the discretion of the event sponsor.

## **25. DISCLAIMER OF LIABILITY**

### **Risk Statement**

**25.1** RRS 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

## **26. INSURANCE**

**26.1.** Each participating board shall be insured with valid third-party liability insurance with a minimum cover of £3,000,000 per event or the equivalent.
