

Definition of a Wetsuit

When the wetsuit flag is flying (numeral 3) the minimum requirement is:

Either Option 1

A neoprene garment covering the legs (below the knee), the torso, and at least the upper arms.

Or Option 2

A neoprene garment covering the legs (below the knee), the torso, supplemented by a windproof garment with sleeves to the wrist which may be removed, but must still be carried while racing.

Failure to comply with this compulsory safety requirement will result in disqualification.
