- I confirm that he/she can swim confidently in cold water.
- I consent to my child's details being kept on computer and to the use of their image provided that the child is not identified.

I understand that insurance against personal accident and loss or damage to personal property is my responsibility.
- I understand that all reasonable care will be taken to ensure the safety of those on the training course and that allowing my child to launch their boat and their equipment are up to the conditions on the day.

By signing this application form (or parent / guardian signing on behalf of a participant under eighteen years old) applicants accept sole responsibility for themselves / their children whether ashore or afloat.
- Patrol boats will be provided, but this in no way limits the responsibility of the participants / parents or guardians to ensure the sailor and equipment can be safely launched / sailed / recovered in the conditions of the day.
- Sailors may be prevented from going afloat if coaches deem they or their equipment (including clothing and buoyancy) are not adequate for the prevailing or expected conditions.
- Nothing done by the Techno Class Association or the Coaches diminishes the participant's total responsibility.
- During the course of top quality coaching, photographs and video footage may be used. By agreeing to be coached the participant also agrees to be photographed/filmed for the purposes of training and to allow others participating in the training to see said footage.
