Admin Report for 2024.

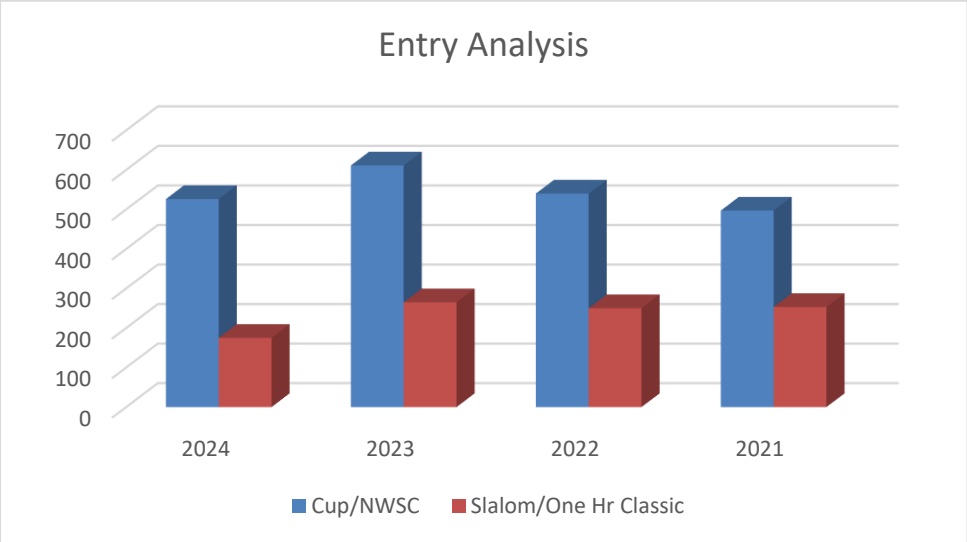

The total number of memberships for 2024 was 474 which is a 7.2% decrease from 2023. There has been a decrease in all categories of membership with the greatest loss being from the individual members. The total income from membership fees after insurance contribution is £21784 which is an 10% decrease on membership fees collected in 2023.

Fig 1 Analysis of membership 2024

Entry numbers for National Championships /NWSC and Slalom events in 2024 including the One Hour Classics, have seen a 20% decrease overall in 2024. Cup events showed a 14% decrease over 2023. Slalom had 175 entries over 4 events including 2 One Hour Classic events which attracted 15 non-members.
Most entries are made in advance of the event supporting the secure planning for crews and safety boats which is an enormous help to the executive but in 2024 there were 145 entries (20%) made on the day at registration.

Fig 2 Analysis of entries 2024

Most memberships and entries are paid via PayPal and this works well but represents a ~3% cost to UKWA which was £2968 for 2024.
Incorrect standing order membership payments still show an outstanding sum of £451 despite follow up. If you pay the incorrect amount via standing order your membership will not be activated. For those on standing order with a family membership please ensure you have updated your payment for 2025 to £93.
